The flyer features the Soluna logo at the top, followed by the headline "Mental health support that meets the moment". Below this, it states "Soluna is free, confidential, and made for teens and young adults ages 13-25 in California." The central image shows a young woman looking at her phone, with several app interface elements overlaid: "Forums" with a post from "SerenaMoon", "Chat", "Book a coach", "Drop-in", and a note "Available in English and Spanish". At the bottom, it describes Soluna as "A space to build coping skills, set goals, and get 1:1 support to navigate life's challenges." and lists features: "1:1 coaching for mental health support", "Secure, moderated peer community", and "Mood log, articles, and tools for self-care". A QR code and the URL "Visit SolunaApp.com" are at the bottom.

Discover a new kind of mental health support

Privacy, protected

Security and privacy are our highest priority. Our safety team reviews every community post before it goes live.

1:1 chats with Soluna coaches

Seven days a week, mental health coaches are available for extra support whenever it's needed most.

Self-service support, anytime

Interactive tools and educational articles help users take a breath, process their feelings, and build skills.

Local care — a conversation away

Housing? Food? Mental health services? Our Care Coordinators help connect users with local resources.

No smartphone? No problem. Just call 844-582-2111 to talk to one of our coaches, or head to [SolunaApp.com](#) to access the web version of Soluna on any browser.

Interactive tools for self-support
Mood log
Goal tracker
Affirmations
Guided breathwork
And more!

The flyer is a vertical rectangle with a purple-to-pink gradient background. At the top, the Soluna logo is on the left and a blue moon icon is on the right. The main title 'Your space to be you' is in a large, white, serif font. Below it, a subtitle reads 'Welcome to Soluna — the mental health app where you can destress, reset, and bounce back. Free for Californians ages 13 to 25.' The middle section is titled 'Support in your time, on your terms' and lists five features: 1:1 coaching, Interactive tools, Peer connection, Just-for-you content, and Local care. To the right of this list is a smartphone mockup showing the app's interface with options like 'Help is here', 'Book a coach', 'Drop-in', and a QR code. The bottom of the flyer includes a QR code and text about no ads, no subscription, and funding by DHCS.

soluna
a CalHOPE Program

Your space to be you

Welcome to Soluna — the mental health app where you can destress, reset, and bounce back. Free for Californians ages 13 to 25.

Support in your time, on your terms

- 1:1 coaching**
Schedule ahead or drop-in for a quick chat with a mental health coach. Zero cost, zero pressure.
- Interactive tools**
Log your mood, set personal goals, and bring calm to your day with a selection of in-app features.
- Peer connection**
Ask questions, offer advice, or just stay in the know about trending community topics.
- Just-for-you content**
Explore short quizzes, text chats, and articles developed with your unique challenges in mind.
- Local care — a convo away**
Get free and personal support connecting to local resources like medical care, housing, food banks, and more.

No ads. No subscription. Just **free**, on-demand mental health support **funded by DHCS**.

Help is here
We're here to listen and walk with you toward wellness. Choose an option to get started.

Book a coach
Book a text or video chat for whenever works best for you.

Drop-in
Get help from our coaches, available 10AM-9PM PT.
